We will be closing enrollment in our Home Delivery CSA this Sunday. Signups are online.

Saturday kicks off our opening day of the Elmwood Bidwell Farmer's Market. We will be there 8:00 am till 1:00 pm. We are excited to kick off the 2023 market season. We will be at the Williamsville Farmer's Market May 20.

We have Pinto Potatoes available for a short time on our list. We had extra left from planting. You can eat them or plant them!

Planting continues apace. Pastures are close and Eric is fixing fence. We were able to buy posts at a local auction and are charring the ends so they last longer in the ground.

We held our first full moon potluck of the season last Friday. We will be posting future potluck dinners this summer. Feel free to come and enjoy a family friendly evening at the farm.

Josh has been working to perfect our Baguette. We will be offering them this week in our custom orders and will have them at the Williamsville Farmer's Market next week.

Weeding season is here early. If you would like to come help us weed, you can earn money toward a market CSA account that can be used at our markets or custom orders. You can even run one of our solar tractors while you do it!

See you all very soon!

Peace, from the Plato Dale Crew
